Street 5, Al-Waleed Ibn Uqbah St Intersection, Ibn Khaldun District, Dammam, Saudi Arabia

Career Objective

- **Quality Assurance & Food Safety Team Leader at Food Craft** (24/5/2026 2026/10/20)
- **Senior Quality Assurance Specialist at El Boushi Foods** (4/11/2025 to 2026/5/21)

- Audit Excellence & Compliance: Led the facility to achieve exceptional quality milestones, including securing the BRCGS Grade (A) certification and attaining the NFSA White List status with Zero Non-conformities.
- Integrated Systems Management: Spearheaded the implementation and maintenance of ISO 22000, ISO 14001, ISO 45001, BRCGS, and Sedex standards, ensuring all operational processes aligned with global benchmarks.
- Strategic Leadership: Executed comprehensive internal audits across all departments and acted as the primary liaison during regulatory inspections, maintaining a consistent state of "Audit-Readiness."
- Performance Optimization: Monitored Key Performance Indicators (KPIs) to analyze quality trends and delivered data-driven recommendations that significantly enhanced production efficiency and product safety.

- **Senior Quality Assurance Specialist at Sakr Group**
- **Quality assurance as Food Safety Specialist at Sakr Group** (16/3/2023 to 4/11/2025)

- Integrated Management Systems (IMS) & Compliance: Spearheaded the implementation and maintenance of FSSC 22000 (V6) and ISO 22000 systems across 6 plants, while managing the full compliance cycles for ISO 9001, ISO 14001, and ISO 45001 to ensure a seamless, safe-work environment. Successfully led the facilities through 100+ high-stakes external audits, including rigorous inspections by the NFSA and SFDA.
- Multi-Site Food Safety Leadership: Directed and verified HACCP plans for 6 diverse factories, ensuring all Critical Control Points (CCPs) are strictly monitored. Spearheaded the internal audit program for the entire group, performing comprehensive gap analyses and ensuring constant audit-readiness for BRCGS, Sedex, and Halal certifications.
- Operations & Risk Management: Oversaw the central water station (10 storage tanks) by implementing rigorous testing protocols to guarantee industrial water safety. Developed and executed robust Food Defense (TACCP) and Food Fraud (VACCP) strategies to safeguard the supply chain. Furthermore, managed second-party audits for major retail accounts, such as Carrefour, consistently achieving top-tier performance ratings in supplier compliance.

- **Production Engineer Food Handling and Catering in the Egyptian Army** (2022 to 2023)
